

SCHOLARSHIPS

Graduate Scholarship (new students only)

Graduate scholarships are available from Graduate Studies for new graduate students accepted into a YSU graduate degree program.

Students enrolled in some online programs are ineligible for the Graduate Scholarship (See the list of these online programs on the Scholarships (<https://ysu.edu/academics/college-graduate-studies/graduate-scholarships/>) page).

Criteria for the scholarship

Cumulative undergraduate GPA of 3.5 or above

Each scholarship is renewable for up to 6 semesters if the student completes a minimum of 6 semester hours of graduate courses each fall and spring semester.

The Graduate Scholarship is applied to the instructional fees only. Students receiving the College Credit Plus Instructor scholarship are ineligible for the Graduate Scholarship.

No scholarship application is required; however, this scholarship is competitive and will be distributed according to GPA until the allocation for each program is met. Students should apply for admission early as funds are limited. The award process begins in April for the following academic year.

Graduate Studies supports the April 15th Resolution Regarding Graduate Scholars, Fellows, Trainees and Assistants of the Council of Graduate Schools. The resolution is available at: <https://cgsnet.org/resources/for-current-prospective-graduate-students/april-15-resolution/> (<https://cgsnet.org/resources/for-current-prospective-graduate-students/april-15-resolution/>) (link is external).
