Posthumous Degrees and Certificates of Achievement

Decisions regarding the awarding of posthumous degrees or certificates of achievement to deceased students are managed on a case-by-case basis by the Dean of the academic college where the student was enrolled in coordination with the Office of the Provost. The Dean of Students will contact the Dean (or designee) of the deceased student's academic college to assure they are aware of the circumstances and request a decision regarding the awarding of a posthumous degree or certificate. If approved, official documentation will be forwarded to the Office of Records. The Dean of Students and Director of University Events will communicate as appropriate to determine how and when the designation will be awarded (i.e. via mail, private ceremony, University commencement, etc.).
