

# WORKSHOPS

---

Students who wish to take a workshop for graduate credit but who have not completed the regular Graduate Studies admission process will be permitted to register as non-degree students in Graduate Studies. Graduate workshops are graded on an S/U (satisfactory/unsatisfactory) basis.

Certain Youngstown State University workshop courses, upon approval of the graduate advisor, may later be applied to degree work if regular admission to Graduate Studies is obtained and if those courses are part of the degree program. Workshop courses are those specifically designated as such in this catalog or by the Graduate Council.
