About the minor

The 100% online Minor in Graphic Design for Non-Art Majors will allow students to achieve several key outcomes. They will gain proficiency in industry-standard software such as Adobe Illustrator, Photoshop, and InDesign, equipping them with the technical skills to create professional-quality work. Students will develop a strong understanding of design principles and processes, enabling them to solve complex visual problems creatively. Additionally, they will curate an online portfolio to showcase their work to potential employers, enhancing their career prospects.
