

CERTIFICATE IN AUDIO AND MUSIC PRODUCTION

About this certificate

Our certificate in Audio and Music Production equips music performance and composition students with the skills necessary to professionally record and produce music in commercial styles, including hip hop, rock, pop, ambient, country, EDM, experimental electronic, film, and video game music. In addition to honing their exceptional artistic abilities, performance and composition students who earn this certificate are expanding their career (<https://academics.yosu.edu/dana-school-of-music/student-experience/career-preparation/>) pathways significantly and gaining knowledge about an expansive and innovative area that influences multiple fields within music and beyond.

Contact information
