

# MINOR IN HISTORY

The History Minor offers students a meaningful introduction to the methods and content of the field. Courses emphasize skills transferable to a wide variety of applications and career choices, including critical thinking, problem-solving, source and data analysis, and presentation of findings. By providing context and insight into human social development over time, the History Minor makes a perfect complement to a wide range of majors, including those in the STEM and professional fields.

| COURSE       | TITLE                                     | S.H. |
|--------------|---|------|
