

READMISSION OF FORMER STUDENTS

A former student is one who was previously admitted into an undergraduate degree seeking program at YSU, has not attended for three or more consecutive terms, and has not attended another accredited college since attending.

Students who are readmitted to the university are subject to the academic requirements and policies in effect at the time of their readmission. This includes fulfilling degree requirements as outlined in the catalog for the term in which they are readmitted.

How to re-apply:

Students should contact the Office of Undergraduate Admissions (<https://ysu.edu/admissions/>).

Exceptions:

International Students: Former students returning to YSU who still hold international status should contact the International Programs Office (<https://ysu.edu/international-programs-office/>).

Graduate Students: Former graduate students returning to YSU should contact the Office of Research Studies and Graduate Studies (<https://ysu.edu/academics/graduate-studies/>).

If a student has attended another accredited college during their time away from YSU, the student should apply as a **former transfer student** through the Office of Undergraduate Admissions (<https://ysu.edu/admissions/>).
